Concorso Calligrafico 2010 / 2011 The Beatles

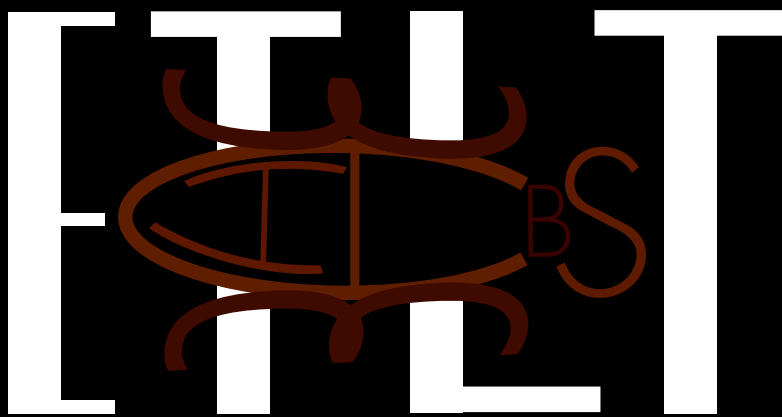

LET IT BE

A calligraphic logo for the Beatles' song "Let It Be". The word "LET IT BE" is written in a clean, white, sans-serif font. Overlaid on the word "LET" is a brown, stylized beetle-like shape. The shape is composed of thick, flowing lines that form a central vertical stem, a horizontal bar across the middle, and two large, curved wings extending outwards and upwards. The letters "I", "T", and "B" are partially obscured by the beetle's body and wings. The "S" in "BE" is also partially obscured by the beetle's tail.
